LIFE IS BUT A STOPPING PLACE

*Life is but a stopping place,
A pause in what's to be,
A resting place along the road,
To sweet eternity.
We all have different journeys,
Different paths along the way,
We all were meant to learn some things,
But never meant to stay...
Our destination is a place,
Far greater than we know.
For some the journey's quicker,
For some the journey's slow.
And when the journey finally ends,
We'll claim a great reward,
And find an everlasting peace,
Together with the Lord.*

THE DAY GOD TOOK YOU HOME

*You never said, "I'm leaving."
You never said, "Good-bye."
You were gone before I knew it,
And only God knew why
A million times I needed you,
A million times I cried
If love alone could have saved you,
You never would have died
In life I loved you dearly
In death I love you still
In my heart you hold a place,
That no one could ever fill
It broke my heart to lose you,
But you didn't go alone
For part of me went with you,
The day God took you home.*
