*Fly high, like you flew here baby! I love you always  
- Your loving husband, Show*

Hey Momma,

*I never thought this day would come so soon. I'm so heart broken and lost without you here with me. I don't know how I'm going to do this thing called life without you momma, but I'm going to try my best for you baby.*

*It's going to be crazy when you don't call me every morning before class, you just popping up on me when you're in Birmingham, and no more of me calling you for every little thing ma. You will be missed, I love you forever!*

♥ - Bugg

*Well mama, I must say you left me in shock with this one. I'm going to miss the good times we shared, that fun and loving personality, the many "store runs", ohh, and that bright red hair of yours & the home cooked meals every Sunday. I could write a book but I won't. I'm glad you lived your life, touched many people & now you're at peace.*

♥ - BBK

Mom

*For everything you've given me, for your unconditional support and unwavering patience, for the sacrifices you've made, for always believing in me for all the hugs, kisses and cuddles, for all the laughs we've shared and tears you've dried, for all the lessons I've learned, for the woman you are, and the person you taught me to be...*

WE LOVE YOU
